

**REMARKS**

The rejection to the claims is moot in view of the amendment to claim 30, incorporating allowable claim 39 and any intervening claims. Hence, this application is now in condition for allowance. An indication of the same is solicited. Entry of this amendment after-final is appropriate since it places the claims in condition for allowance.

In the event any further matters requiring attention are noted by Examiner, or in the event that prosecution of this application can otherwise be advanced thereby, a telephone call to Applicants' undersigned representative at the number shown below is invited.

Further, Applicants hereby petition for the Commissioner to charge any additional fees or any underpayment of fees which may be required for this Amendment and which may be required to maintain the pendency of this case at any time during prosecution, or to credit any overpayments, to Deposit Account No. 04-1061, referencing Attorney Docket No. 39090-43.

Respectfully submitted,
